

## Application for Swedish work permit

– for applicants currently outside  
Sweden

To be filled out by the Swedish Migration Board/Swedish mission abroad	
Dossier number	Signature

Use this form if you are currently outside Sweden when applying for a work permit, and are a citizen of a country outside the EU/EEA area or Switzerland. If you are to work in Sweden for more than three months, your application also regards a residence permit. The Swedish Migration Board will charge an application fee for the administration of this application.

If you are to work in Sweden for less than three months and you need a visa to enter the country, you will also have to apply for a visa.

In general, you will have to apply for and be granted a permit before travelling to Sweden. You can apply for a residence and work permit on [www.migrationsverket.se](http://www.migrationsverket.se) or submit your application at a Swedish embassy or consulate general.

If you provide all the information in your form and include all the required documents, you will receive your decision sooner than if we have to ask you for supplementary information.

You can find more information on [www.migrationsverket.se](http://www.migrationsverket.se).
